## **CANCELATION POLICY**

If you fail to cancel a scheduled appointment with at least 24 hour notice, and I cannot use this time for another client, you will be billed for the entire cost of your missed appointment.

A full session fee is charged for missed appointments or cancellations with less than a 24 hour notice unless it is due to illness or an emergency. This method has been shown to provide a feeling of responsibility in the therapeutic relationship between analyst and client; it also is associated with clinical engagement and improvement. Please note that health insurance companies will not pay for the missed sessions. A bill will be mailed directly to all clients who do not show up for, or cancel an appointment under the aforementioned stipulations.
